From the Principal

School overview

Regents Park State School is situated in the western corridor of Logan City on Emerald Drive, Regents Park. The student population comes from a diverse range of socio economic and cultural backgrounds. It is a co-educational school with approximately 780 students in year levels Prep to Year 6. There is a whole school focus on Positive Behaviour (PBL) and Social and Emotional Learning (You Can Do It) which lay foundations for learning together. Our students include those from the Hmong culture as well as Indigenous students, with an increasing enrolment of students from Pacific Islander and related cultures. A number of students present with a non-English speaking background which necessitates working with our English as a Second Language Teacher on intensive language programs. Our school also caters for students with Physical Impairment (PI), Speech Language Impairment (SLI) and Autistic Spectrum Disorder (ASD) through a Special Education support that enables a fully inclusive learning culture to be fostered whereby students engage in all learning in their age appropriate mainstream classes.

We have a whole school focus on continuous improvement through students being 'in class, on task and learning' as we implement sequential focussed teaching and learning episodes. Curriculum programs for Years Prep to 6 are developed around the Australian National Curriculum. Cooperative Teacher Teams plan English, Mathematics, Science, HASS and the Arts unit plans with specific work undertaken in all learning areas, each teaching year level identifying a teacher to lead each of the teaching/learning areas.

All members of the school community are encouraged to see themselves as active leaders across many different aspects of school organisation. In accordance with the school's values and beliefs, a wide range of opportunities is provided for students and staff to develop in many different areas and in a very supportive environment. Students from Prep to Year 3 are chosen as Class Captain each term. They perform leadership roles in their classrooms at an appropriate level and meet in a Junior Student Council once per term. Their ideas are then passed on the formal Student Council. Students in Years 4 to 6 are voted as Student Councillors for the full year and they represent their classes in the Student Council. Our school enjoys strong community support through the Parents and Citizens Association volunteers, classroom volunteers, church community members volunteering to provide a healthy teaching and learning environment.

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

Social climate

Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

Parent and community engagement

Our approach to engaging with parents and the community is aligned to the departments Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

Respectful relationships education programs

Our school has implemented the Respectful relationships education program (RREP) as part of the broad multi-departmental Queensland Government approach to ending domestic and family violence.

The RREP is a Prep to Year 12 prevention program that focuses on influencing behavioural change to build a culture based on equality and respect in our students, staff, parents and wider community, Students are provided opportunities to explore social and emotional learning in self-awareness, self-management, social awareness, relationships, ethics, values, social norms, gender roles, stereotypes, human rights, risk and responsible decision-making. A growing body of evidence shows that social and emotional learning of this nature leads to:

- improved social and emotional skills, self-concept, bonding to school and classroom behaviour
- less disruptive classroom behaviour, aggression, bullying and delinquent acts
- reduced emotional distress such as depression, stress or social withdrawal.

Further information is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/respectful-relationships>

School disciplinary absences

Long suspensions – 11 to 20 days	3	1	2
Exclusions	2	2	1
Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)	232,442	239,231	264,856
Water (kL)	2,217		

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

Qualification of all teachers

The Queensland College of Teachers (QCT) is responsible for ensuring that teaching in Queensland schools is performed by an appropriately qualified person, that has successfully completed either -

- (a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.

Professional development

Teacher participation in professional development

Queensland state schools undertake 5 staff professional development days (25 hours) throughout the year:

- 2 days at the end of the summer holidays (fixed)
- 2 days during the Easter holidays (flexible)
- 1 day in the third last week of Term 3 (fixed) on the student free day.

Regents Park SS is a member of the South East Region Leading Learning Collaborative and as such has aligned teacher and teacher aide professional development towards capability initiatives that develop the knowledge, skills and capabilities of practitioners to utilize the associated high impact strategies of Lynn Sharratt. This includes significant investment in opportunities for intentional collaboration amongst staff to 'know our learners'. Such professional collaboration has focused upon teacher data literacy, and adoption of consistent pedagogical strategies in classrooms that allows students to monitor their progress towards the learning goals for units of work aligned to the Australian Curriculum.

Additional professional learning for staff has focused upon the completion of:

- Department of Education mandatory training – Student Code of Conduct, CARA's, Student Protection etc
- Beginning Teacher induction and support
- Reading at Regents – Sheena Cameron Reading Strategies and the Gradual Release of Responsibility Model
- Early Start
- Age Appropriate Pedagogies
- The Literacy Continuum
